

Understanding the impact of COVID-19 on service delivery: Part 1 – Listening session for clinicians & researchers

FREE WEBINAR EVENT

03 June 2020, 11am-12pm Australian EST

The IAACD /AusACPDM COVID-19 Taskforce want to hear from you.

Join our listening session to share how our clinicians & researchers across Australasia have adapted to COVID-19 & where we are heading in the future.

For more information visit
www.ausacpdm.org.au/events/

Or register [here](#)

Our aim is to share our experiences, to learn what has worked, what has not worked & what learnings we can take into the future.

Facilitators from our Taskforce panel include speakers involved in research, and both hospital & community based health service delivery.

- A/Prof Bernadette Gillick
- Prof Alicia Spittle
- Dr Mary-Clare Waugh
- Gaela Kilgour
