

Understanding the impact of COVID-19 on children with disabilities in the Pacific: Listening session for clinicians & researchers

FREE WEBINAR EVENT

06 October 2020, 12pm-1pm Australian EDST

The IAACD /AusACPDM COVID-19 Taskforce want to hear from you.

Join our listening session to share how our clinicians & researchers across Australasia including the Pacific have adapted to COVID-19 & where we are heading in the future.

Our aim is to share our experiences, to learn what has worked, what has not worked & what learnings we can take into the future. The panel include speakers involved in both hospital & community based health service delivery in the Pacific Region.

Dr Peter Asuo, Paediatrician, Ministry of Health, Kiribati

Dr Rakei Kaarira, Paediatrician, Ministry of Health, Kirabati

Ms Sureni Perera, CEO, Frank Hilton Organisation, Suva- Fiji

Ms Ingrid Sutherland, Clinical Nurse Consultant, Family Well-Being Clinic, Royal Children's Hospital, Australia

Dr Georgina Cox, Psychologist, Family Well-Being Clinic, Royal Children's Hospital, Australia

Chaired by Dr Kate Milner, Paediatrician, Royal Children's Hospital Melbourne
