

# AusACPDM Listening and Sharing session

## Musculoskeletal Issues in Cerebral Palsy: Is Classification the Key to Improving Communication and Management?

Join us in our free listening and sharing session

**Wednesday 26<sup>th</sup> May 2021 at 4.30pm Australian EST**

The aim of our AusACPDM Listening and sharing sessions are to share knowledge, experiences and learnings.

**Topic information:** Prof Kerr Graham will launch the AusACPDM's first listening and sharing session. We will discuss the issues surround musculoskeletal pathology, timing referral to orthopaedic surgeons and management. A New musculoskeletal classification system will be discussed.

This Session will be of interest to therapists, rehabilitation physicians , trainees and people with the lived experience and their carers.

**Speakers: Prof Kerr Graham**

**Professor of Orthopaedics, Royal Children's Hospital Melbourne**

**The session will be facilitated by:**

**Pam Thomason**
