

# AusACPDM Listening and Sharing session

## *Cognitive functioning in children with cerebral palsy*

Join us in our free listening and sharing session

**Wednesday 28<sup>th</sup> July 2021 at 4.30pm Australian EST**

The aim of our AusACPDM Listening and sharing sessions are to share knowledge, experiences and learnings.

**Topic information:** *Dr Katherine Olsson is a clinical neuropsychologist and clinical psychologist at the Queensland Children's Hospital. She will present on cognitive functioning in children with cerebral palsy. This will include a summary of the current literature, a discussion around difficulties in cognitive assessment in children with cerebral palsy, and some practical strategies to help support children's everyday cognitive function.*

This Session will be of interest to therapists, rehabilitation physicians, psychologists, trainees and people with the lived experience and their carers.

**Speaker: Dr Katherine Olsson, , D.Psych (Clinical Psychology & Clinical Neuropsychology)**

Senior Clinical Neuropsychologist, Queensland Paediatric Rehabilitation Service
