

# AusACPDM Listening and Sharing session

## “Assessment of dyskinesia in CP: then and now”

Join us in our free listening and sharing session

**Wednesday 24<sup>th</sup> November 2021, 4.30pm to 5.00pm Australian DST**

The aim of our AusACPDM Listening and sharing sessions are to share our experiences and learnings in improving care for children and young people with cerebral palsy. This session focuses on the identification, classification and assessment of dyskinesia in cerebral palsy.

**Topic information:** This session will provide an overview of recommended assessment practices for children and young people with cerebral palsy and dyskinesia, including measuring the impact of dyskinesia on function. We will present the newly published tool: The Dyskinetic Cerebral Palsy Functional Impact Scale (D-FIS). This session is targeted towards physiotherapists, occupational therapists and physicians but will also be of interest to other health professionals, researchers as well as people with cerebral palsy and parents of children with cerebral palsy.

**Speakers:** Kirsty Stewart and Adrienne Harvey

**The session will be facilitated by:** Adrienne Harvey
