

**WE WANT  
YOU!**

## **ARE YOU:**

- A person working in the field of childhood disability?
- A student hoping to enter the field one day?
- Someone with lived experience of childhood disability?
- Someone with family/caregiving experience of childhood disability?

**AusACPDM (Australasian Academy of Cerebral Palsy & Developmental Medicine) wants you as a member**

## **OUR PURPOSE:**

We provide multidisciplinary scientific education for all members. We also promote and advocate for excellence in research, knowledge translation and best practice clinical care for children, adolescents and adults with cerebral palsy and developmental conditions.

## **THE BENEFITS:**

- Unrestricted access to exclusive podcasts and educational resources
- Discount on professional development opportunities
- Awesome networking opportunities for all
- Discounted registration to the leading conference in Australasia including prominent keynote speakers, global perspectives and latest initiatives in treatment/therapy/family engagement

**Once you're a member,  
consider joining one of our  
committees to help shape  
AusACPDM**
