

# AusACPDM Listening and Sharing session

## Respiratory Illness in Cerebral Palsy: It's everybody's business

Join us in our free listening and sharing session

**Wednesday 25<sup>th</sup> May 2022 , 4:30PM Australian EST**

The aim of our AusACPDM Listening and sharing sessions are to share knowledge, experiences and learnings.

**Topic information:** Respiratory illness remains the biggest contributor to deaths in young people with CP. We will present the development of the consensus statement for the assessment, prevention and treatment of respiratory illness in children with CP. This talk will highlight the risk factors for respiratory illness and everybody's roles in achieving best lung health for children with CP.

**Speakers:** Dr Noula Gibson, PhD, Research Coordinator Physiotherapist, Perth Children's Hospital

**The session will be facilitated by:** Dr Rachael Marpole, Advanced Respiratory Trainee, Perth Children's Hospital and PI for the **REducing ReSPiratory Admission in CP- A Feasibility Controlled Trial (RESP-ACT)**
