

# AusACPDM Listening and Sharing session

## “Oral Health for Children with CP or similar conditions”

Join us in our free listening and sharing session

**26<sup>th</sup> October at 4.30 Australian EDST**

The aim of our AusACPDM Listening and sharing sessions are to share our experiences and learnings with issues surrounding oral health and hygiene.

**Topic information:** This topic will cover the importance of oral health care in patients with cerebral palsy and physical disabilities. The topic will discuss dental disease and highlight the importance of an oral health care preventive approach and practical tips to assist. This topic will be of benefit to all health care professionals, parents and carers.

**Speakers:** *Stephen Moor; Oral Health Therapist*

**The session will be facilitated by:** *Janet Danielson, Speech Pathologist*
