

# AusACPDM Listening and Sharing session

## “Focus on Function: New Clinical Practice Guidelines for improving function in cerebral palsy”

International Alliance  
of Academies of  
Childhood Disability

ON WORLD CEREBRAL PALSY DAY

**6<sup>th</sup> October at 4.30 Australian EDST**

Note this is daylight saving time

The aim of our AusACPDM Listening and sharing sessions are to share our experiences and learnings.

This month's session aligns with the IAACD Global Listening sharing sessions, this year on the theme of

**“Build Back Better: Insights, Innovations and Opportunities”**

**Topic information:** Clinical practice guidelines were recently published regarding current best practice evidence to support children and young people with cerebral palsy to achieve functional goals. This session will present the guidelines and reflect on how we can implement changes into our own practice to benefit the clients we work with.

**Speaker:** Michelle Jackman

**The session will be facilitated by:** Leanne Sakzewski
