

# Building Skills for Independent Living – using pragmatic, socially motivated, learning programs

## AusACPDM Listening and Sharing session

Join us in our free listening and sharing session

**29<sup>th</sup> November 2023 4:00pm Australian EDST**

The aim of our AusACPDM Listening and sharing sessions is to share knowledge, experiences and learnings.

**Topic information:** The story of LightBulb Skills - a group that helps people with a range of disabilities develop the skills essential for living more independently. Part Structured and Guided Teaching, Part Experiential Learning, and Part Reflections and Confidence Building; LightBulb Skills launched their unique workshops in WA in April 2022 and have grown steadily from word of mouth referrals since.

**Speakers:** Megan Hancock

**The session will be facilitated by:** Dr Stacey Cleary
